SUPPLEMENTARY INFORMATION: The information requested by the questionnaire is for use by the Commission in connection with Investigation No. 332-588, *Foreign Trade Zones (FTZs): Effects of FTZ Policies and Practices on U.S. Firms Operating in U.S. FTZs and Under Similar Programs in Canada and Mexico*, instituted under the authority of section 332(g) of the Tariff Act of 1930 (19 U.S.C. 1332(g)). This investigation and report were requested by the United States Trade Representative (USTR) on December 14, 2021. This investigation was initiated on January 26, 2022, and the notice of investigation was published in the *Federal Register* on January 31, 2022 (87 FR 4914). The Commission will deliver its report to USTR by April 14, 2023. As stated in the notice of investigation, the USTR requested that the Commission's report include detailed data and other information on firms operating in FTZs in the United States, and under similar programs in Canada, and Mexico. Such information is not available in the requested specificity from governmental and other public sources. The Commission indicated in its notice of investigation that it will need to obtain much of such data and information through a survey. The survey will assist the Commission in developing, as requested, an overview of economic activity and policies and practices in U.S. FTZs and under similar programs in Canada and Mexico, and the effects of those policies and practices on the cost competitiveness of products of firms operating in these programs. Similar programs in Canada include the Duties Relief Program, Drawback Program, Export Distribution Center Program, and Exporters of Processing Services Program. Similar programs in Mexico include Industria Manufacturera, Maquiladora y de Servicios de Exportación (IMMEX), Value Added Tax (VAT)/Special Tax on Production and Services (IEPS) Certification, Programa de Promoción Sectorial (PROSEC), Rule 8 (Regla 8), and Operadores Económicos Autorizados (OEA) (previously Nuevo Esquema de Empresas Certificadas (NEEC)).
